FAQs

CAN COMBAT MAT SAVE ME TIME?

Absolutely! Combat Mat saves you stocking time on jobs with weak floors. Carrying more materials at a time means making fewer trips.

HOW WILL COMBAT MAT ENHANCE THE SAFETY OF MY JOBSITE?

Combat Mat provides a protective layer over common safety hazards like weak floors, wires, cables, scrap materials, debris, nails and screws.

CAN COMBAT MAT SAVE ME MONEY?

The Combat Mat maximizes your material delivery efficiency and minimizes the likelihood of callbacks, making it a cost-effective solution.

IS COMBAT MAT BUILT TO LAST?

Manufactured with ballistic nylon, a material invented to protect soldiers in World War II, Combat Mat is designed to be reused for years.

HOW CAN MY CUSTOMER BENEFIT FROM COMBAT MAT?

Your customers can rest assured that you're going the extra mile to protect their jobsite. Peace of mind is invaluable.

CAN COMBAT MAT REPLACE METAL RAMPS?

Yes! It acts as a ramp for transitions up to two inches.
